

Interpon EC: Easy Clean powder coating

Do you need to protect your assets from the nuisance of graffiti?

AkzoNobel's **Interpon EC** is a high performance powder coating, which ensures easy cleaning and provides outstanding permanent protection.

Graffiti sprayed onto Interpon EC can be effectively removed, repeatedly, without sacrificing coating appearance, durability or weathering.

Interpon EC is used in a wide range of industries including street furniture, roller doors and public transport.

Interpon EC provides

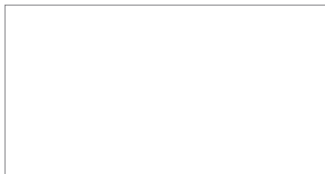

- Excellent physical properties
- Outstanding chemical resistance
- Weather and corrosion resistance
- One coat application
