

RTS (Ready to Ship) - Job Shop Essential Blacks & Whites

AkzoNobel's Interpon stock black & white powder coatings will hit the right chord with your customer

Although the keys on a piano are only black or white, each plays a unique part in a melody. So is the case with the black and white **Interpon** powder coatings in our RTS (Ready to Ship) assortment.

Variety of blacks & whites each with it's own characteristics

- Finishes - Smooth, Wrinkle, Texture, River
- Variety of gloss levels
- Environment - Interior, Exterior, Primer
- Chemistry - Epoxy, Hybrid Epoxy-Polyester, Polyester Pure-Primid, Polyester TGIC, Poyurethane

See back for specific products.
