Interpon D2525: Choose the Superdurables

Interpon D2525:

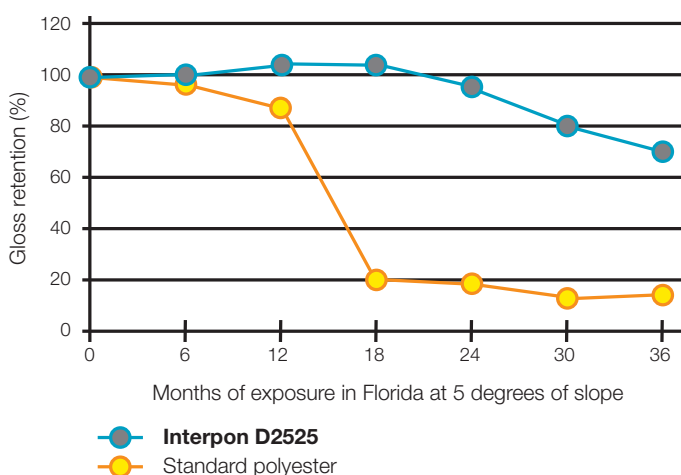

- Superdurable polyester
- Certified Qualicoat Class 2, GSB Master, AAMA 2604
- 25 years project warranty*
- Cleaning every 18 months

Cleaning frequency depends on the environment and the concentration of surface dirt. The more frequently cleaning is performed, the cheaper and easier it is.

Please contact us for warranties on Interpon D applied to aluminium by AkzoNobel Powder Coatings approved applicators.

Florida tests

monitor variations in colour and gloss as a result of natural exposure.

The climate of Florida combines:

- high UV
- high temperature
- high humidity
